

Engagement Letter and Service Schedule

Date: 20 December 2025

Private and confidential. Meridian Advisory Group LLP is pleased to confirm the terms of our engagement with Nexus Capital Partners LP for accounting and advisory services for the period 1 January 2026 to 31 December 2026.

This letter sets out the scope of work, fee basis, client responsibilities, timetable, approval process, and professional terms that govern the engagement. It should be read with the attached service schedule and acceptance page.

Client	Nexus Capital Partners LP
Primary contact	Emily Harcourt, Finance Director
Meridian partner	Marcus Chen, Managing Partner
Service lines	Accounting and Advisory, CFO Advisory, Group Reporting
Period covered	1 January 2026 to 31 December 2026
Billing model	Mixed: fixed fee, monthly retainer, time and materials, and reimbursable expenses

1. Engagement Snapshot

Nexus Capital Partners LP operates a mid-market private equity group with six portfolio companies. The engagement is structured as a master relationship with separate projects for statutory consolidation, recurring management accounts, and CFO advisory support.

Meridian will maintain separate project economics for each workstream while presenting Nexus with consolidated billing where appropriate.

Workstream	Billing basis	Commercial terms
Group consolidation accounts	Fixed fee	GBP 42,000 fixed fee for FY2025 statutory group accounts, billed in two milestones
Monthly management accounts	Monthly retainer	GBP 8,500 per month for six portfolio companies
CFO advisory services	Time and materials	GBP 350 per hour, billed monthly in arrears
Out-of-pocket expenses	Recharge at cost	Travel, filing, and third-party costs recharged at cost with supporting evidence

2. Scope - Group Consolidation Accounts

Meridian will prepare the FY2025 statutory group consolidation pack and supporting schedules using information provided by Nexus and its portfolio companies.

The work includes consolidation adjustments, intercompany eliminations, draft financial statement preparation, partner review, and response to agreed audit queries.

Deliverable	Included activity	Expected evidence
Consolidation workbook	Trial balance import, mapping, eliminations, and review points	Signed-off workbook and review log
Draft statutory accounts	Directors report, primary statements, notes, and accounting policy review	Draft accounts pack
Audit support	Responses to reasonable auditor queries on consolidation mechanics	Query tracker
Milestone billing	Milestone 1 at draft pack, milestone 2 at final sign-off	Partner approval

3. Scope - Monthly Management Accounts

The monthly management accounts retainer covers recurring management accounts for six portfolio companies. Meridian will prepare management reporting outputs using monthly source records and agreed reporting templates.

The retainer covers standard monthly preparation, review, and presentation support. Material changes in reporting requirements or additional entities will be scoped separately.

Monthly process	Responsibility	Target timing
Source data collection	Nexus finance team provides ledgers, bank reports, and payroll summaries	Business day 3
Preparation	Meridian prepares management accounts and variance commentary	Business day 6
Partner review	Marcus Chen or delegate reviews exceptions and narrative	Business day 8
Pack issue	Management pack issued to Nexus finance leadership	Business day 10

4. Scope - CFO Advisory Services

CFO advisory services are provided on a time and materials basis. Typical advisory work includes board-pack review, cash-flow modelling, financing support, scenario analysis, and ad hoc reporting requests.

Advisory time will be recorded by project and billed monthly in arrears. Non-billable internal planning time will be recorded separately for project profitability reporting.

Role	Indicative rate	Notes
CFO Advisory Partner	GBP 350 per hour	Primary advisory and board-facing work
Manager	GBP 240 per hour	Model preparation, review support, and coordination
Associate	GBP 145 per hour	Analysis, schedules, and data preparation

5. Deliverables and Timetable

The table below summarizes key expected deliverables. Dates may change where Nexus or third parties provide information later than agreed.

Meridian will flag blockers promptly and maintain a shared action log for open requests, review points, and approvals.

Deliverable	Target date	Owner	Approval
Engagement setup and project creation	5 January 2026	Meridian	Nexus Finance Director
January management accounts pack	14 February 2026	Meridian	Marcus Chen
FY2025 draft consolidation pack	30 April 2026	Meridian	Nexus Finance Director
FY2025 final statutory accounts	30 June 2026	Meridian	Nexus Board
Monthly CFO advisory billing	Monthly in arrears	Meridian	Marcus Chen

6. Fees, Billing, VAT, and Expenses

All amounts are stated excluding VAT unless stated otherwise. Meridian will invoice the fixed fee milestones when the associated deliverable is ready for client review or final sign-off.

Monthly management accounts are billed on the first business day of each month. CFO advisory services and approved expenses are billed monthly in arrears.

Fee component	Amount	Billing trigger
Group consolidation accounts	GBP 42,000 fixed	50 percent on draft pack, 50 percent on final pack
Monthly management accounts	GBP 8,500 per month	Monthly retainer
CFO advisory services	GBP 350 per hour	Monthly in arrears
Out-of-pocket expenses	At cost	Monthly in arrears with support

7. Client Responsibilities

Nexus is responsible for providing complete and accurate source records, responding to queries in a timely manner, and designating personnel who can approve deliverables and commercial changes.

Where information is incomplete, late, or materially inconsistent, Meridian may defer delivery dates, issue a blocker notice, or request approval for additional scope.

Responsibility	Nexus owner	Expected standard
Portfolio company trial balances	Finance Director	Complete and reconciled to local ledgers
Bank and debt schedules	Treasury Lead	Current to reporting period end
Intercompany confirmations	Portfolio controllers	Matched and variance-explained
Approval of deliverables	Finance Director or Board	Respond within five business days

8. Workflow, Review, and Approval Model

Meridian may use Aethos to coordinate document intake, project setup, billing preparation, time capture, and accounting evidence. Aethos will prepare work for review, but client-facing invoices and material commercial changes remain subject to approval.

For this engagement, AI-assisted extraction or drafting will be reviewed by the Meridian engagement owner before records are finalized.

Workflow stage	System action	Approval point
Engagement intake	Extracts client, billing model, rates, and first project	Meridian owner approval
Monthly billing	Prepares retainer, T&M, fixed-fee, and expense lines	Inbox approval before sending
Journal evidence	Posts invoice-backed journals after approval	Accounting controls
Audit trail	Stores decision history, source links, and reviewer changes	Available for audit review

9. Confidentiality and Data Protection

Each party will keep confidential information secure and use it only for the purposes of this engagement. Meridian will apply appropriate technical and organizational measures to protect client information.

Personal data will be processed only as needed to perform the engagement and comply with professional, legal, and regulatory obligations.

Control area	Commitment
Access	Access is limited to personnel assigned to the engagement or quality review
Retention	Records retained in accordance with Meridian retention policy and professional obligations
Sub-processors	Used only where appropriate confidentiality and security obligations are in place
Data subject requests	Handled with cooperation between Meridian and Nexus as required by law

10. Professional Standards and Limitation of Liability

Meridian will perform services with reasonable skill and care in accordance with applicable professional standards. The engagement does not constitute audit, assurance, legal, investment, or regulated financial advice unless separately agreed in writing.

Meridian's aggregate liability for claims arising from this engagement is limited to the greater of the fees paid for the relevant workstream in the preceding twelve months or GBP 250,000, except where such limitation is prohibited by law.

Matter	Position
No audit opinion	No audit or assurance opinion will be issued under this engagement
Reliance	Advice is prepared for Nexus Capital Partners LP and may not be relied on by third parties
Tax advice	Tax structuring or compliance work requires separate written scope where not listed
Changes in law	Meridian is not responsible for changes after work is delivered unless separately engaged

11. Acceptance
